

15 Habits of People Who Are Easy to Work With

1. CALM IN THE STORM

- Maintains clarity under pressure
- Steadies others during chaos
- Makes better decisions in crisis
- Becomes more focused when things get rough

2. RELENTLESSLY RESOURCEFUL

- Never stops at "it can't be done"
- Treats obstacles as puzzles to solve
- Finds creative paths forward
- Takes initiative to explore alternatives

3. ENERGY RAISER

- Brings grounded optimism
- Leaves others feeling more capable
- Makes difficult tasks feel manageable
- Creates momentum through enthusiasm

4. HUMBLE

- Shares credit generously
- Admits what they don't know
- Values truth over ego
- Open to what they don't know

5. ACTIVELY CURIOUS

- Asks great questions
- Explores different perspectives
- Embraces learning opportunities
- Seeks to understand first

6. ASSUMES GOOD INTENT

- Defaults to trust
- Looks for positive interpretations
- Creates space for honest dialogue
- Reduces unnecessary friction

7. OWNS MISTAKES

- Apologizes without deflection
- Focuses on solutions, not blame
- Takes responsibility quickly
- Learns visibly from errors

8. RELIABLE CLOSER

- Makes commitments carefully
- Follows through consistently
- Builds trust through reliability
- Communicates proactively about challenges

9. AUTHENTIC GIVER

- Helps others succeed
- Shares knowledge freely
- Operates with abundance mindset
- Thinks long-term about relationships

10. ACTIVE LISTENER

- Gives full attention
- Seeks to understand deeply
- Asks clarifying questions
- Reflects back what they hear

11. QUICK TO PRAISE

- Reinforces positive behaviors
- Builds others up authentically
- Notices and acknowledges good work
- Gives specific, meaningful compliments

12. ACT LIKE AN OWNER

- Cares about overall success
- Solves problems proactively
- Thinks about long-term impact
- Takes initiative without being asked

13. CLEAR COMMUNICATOR

- Expresses ideas simply
- Matches style to audience
- Updates stakeholders proactively
- Makes complex ideas easy to understand

14. REALITY-BASED

- Faces facts squarely
- Maintains intellectual honesty
- Brings solutions to problems
- Deals with what is, not what should be

15. DEFAULT TO KINDNESS

- Leads with empathy
- Shows genuine concern
- Creates psychological safety
- Makes kindness a habit, not a strategy
